## **Overnight Closures of Highway 101 in San Rafael**

**San Rafael** – Starting January 3, 2008, and continuing for roughly another week, Caltrans will close a portion of U.S. Highway 101 in San Rafael during the overnight hours. The closures will be in either the northbound or southbound direction, but never both at the same time.

Traffic will be detoured onto city streets. Detours will be clearly marked. They will be the same detours that were used during the last round of closures. Maps of the detours are attached.

The closures will be between the hours of 11 p.m. and 5 a.m. the following morning. The schedule will be:

January 3, 4, 8, and 9 – Northbound

January 5, 7, 10, and 11 - Southbound

The closures will permit construction crews to perform additional work on the new flyover ramp from southbound Highway 101 to westbound I-580.
